A Message to the community from Diamond Catering

It is beyond extraordinary times what we are living today in our community. Our deepest, most sincere condolences and prayers go out to the families who are fighting against COVID or have lost someone during this pandemic. There aren't enough words to express the daily fear, concern and efforts taken to keep our Diamond Catering family safe. As a customer, you are part of our family. We would like to thank all our customers and employees for their continuous support during this pandemic and hope that these difficult times will end soon.

As we approach the holiday season, we know that the burden of this year will change dynamics for everyone. Although gatherings and celebrations with your loved ones may not be possible in a physical state, Diamond Catering will like to help keep the spirit of the holidays alive for you and your family. In an effort to avoid the spread of the virus, we want to help you stay home and if you want to avoid holiday grocery shopping altogether we are providing a new holiday menu. If you prefer to stay home with your family, or maybe provide a meal for a loved one we can help. It might be one of the best ways to say "THANKS" during these times because no matter what, we are in this together #ElPasoStrong.

It is our priority to keep everyone safe around us and will continue to take the necessary precautions to do so. Please keep you and your family safe and don't stop enjoying each other and the holiday seasons. Continue caring for each other and remember the great times with the loved ones who are no longer with us but remain in our hearts.
